

C. M. P. Thenura Mandinu

SOFTWARE ENGINEER

PROFILE

Dedicated and enthusiastic Software Engineering student pursuing opportunities to gain practical experience and contribute to innovative projects. Possessing a solid foundation in programming languages as well as proficiency in web technologies including HTML, CSS and Bootstrap, I am eager to apply my academic knowledge in a professional environment. With a proactive approach to problem-solving, effective communication skills, and a strong aptitude for teamwork, I am committed to learning and growing within the software engineering field. Seeking an internship position where I can leverage my skills, expand my expertise, and make meaningful contributions to the organization's objective.
